ICNU does not request paper service, unless required by WUTC rules or law. If permitted by the presiding officer, ICNU also requests that electronic service be provided to the following:

Jesse O. Gorsuch  
jog@dvclaw.com  
Paralegal for DVC

Haley M. Thomas  
hmt@dvclaw.com  
Legal Assistant for DVC

3 The administrative rules at issue are WAC § 480-07-340, -355.

4 ICNU is an incorporated, non-profit association of large electric customers in the Pacific Northwest. A list of ICNU members is included as Attachment A. ICNU represents some of Avista Corporation's ("Avista" or the "Company") largest customers.

5 ICNU has a substantial interest in Avista's proposal to update its electric book depreciation rates. The proposed rate changes would substantially and directly affect those of ICNU's members who purchase power from Avista. Accordingly, ICNU requests leave to intervene in this docket to represent its members who are affected by any change to Avista's rates.

6 ICNU has extensive experience in proceedings before the Commission involving Avista. ICNU is participating in the Company's current general rate case, UE-170485, and has been a party to many prior Company rate proceedings. ICNU's intervention in this proceeding will assist the Commission in resolving issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

As described above, ICNU has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination in connection with this proceeding. Thus, it is in the public interest to allow ICNU to intervene in this proceeding.

WHEREFORE, ICNU respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 13th day of March, 2018.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
