Dear Mr. Johnson:

Puget Sound Energy (“PSE”) hereby submits an additional work paper in connection with PSE’s Docket UE-190218 filed under its Advice No. 2019-10 on March 29, 2019. This additional work paper memo, titled Variances in PSE Purchased Gas Costs October, 2018 – February, 2019, is being filed at the request of the Commission’s staff.

Please note that this work paper contains commercially sensitive information, disclosure of which could adversely affect PSE’s ability to effectively negotiate favorable gas supply agreements and conduct wholesale trading for its customers. Therefore, PSE requests that it be accorded confidential treatment. It has been marked “Shaded information is designated as confidential per WAC 480-07-160” to protect confidential portions.

Questions regarding this filing can be directed to Julie Waltari at (425) 456-2945. If you have any other questions, or if I can be of any assistance, please contact me at (425) 456-2142.
