RE: Docket No. UE-190532

Dear Mr. Johnson,

Avista Corporation, dba Avista Utilities (Avista or Company), submits its “revised” Appendix A in the above referenced Docket.

Avista has revised its Appendix A (“Net Energy Metering Interconnection Agreement) to reflect conversations with the U.S. Customs and Border Protection (CBP) whom requested that some critical edits be made to Avista’s Net Energy Metering Interconnection Agreement template for its Washington state service area to ensure that CBP can execute the Agreement without running afoul of federal law.

If you have any questions regarding this filing please contact me at 509-495-4975 or linda.gervais@avistacorp.com.

Sincerely,

Linda M. Gervais
