RE: Pullman Disposal Service, Inc., G-42, Tariff No 18 Revision
TG-200100

Dear Secretary:

We are filing revisions to tariff page 2 to correct a timing issue that arose from a currently outstanding filing. Because TG-200252 is set to become effective before the outstanding filing on docket TG-200100, the revision number associated with revised pages on the check sheet needs to be adjusted on both filings to reflect which will be effective first. This revised page will replace the originally filed check sheet on docket TG-200100, please do not redocket.

My authority to file on behalf of Pullman Disposal Service is included with this submission. If there are any questions please contact me via phone at 360-425-8000, fax at 360-425-8005 or email jdavis@boothdavis.com. Devon Felsted may be reached at Pullman Disposal Service, Inc., P O Box 619, Pullman, WA 99163; phone 509-334-1914, fax 509-334-5268 or email devon@pullmandisposal.com.

Very truly yours,
