NOTICE CANCELLING BRIEF ADJUDICATIVE PROCEEDING

RE: *In the Matter of the Two Men and A Moving Van LLC, d/b/a Move For Less, for Compliance with WAC 480-15-560 and WAC 480-15-570, Docket TV-200946*

In the Matter of the Penalty Assessment against Two Men and A Moving Van LLC, d/b/a Move For Less, in the Amount of \$7,300 for violations of WAC 480-15, Docket TV-200947

TO ALL PARTIES:

On November 19, 2020, regulatory staff (Staff) of the Washington Utilities and Transportation Commission (Commission) conducted a routine safety investigation of Two Men and A Moving Van LLC, d/b/a Move For Less, (Move for Less or Company) and documented 91 violations of Washington Administrative Code 480-15. Based on these violations, Staff proposed the Company receive a “conditional” safety rating.

On December 8, 2020, the Commission issued a Notice of Intent to Cancel Permit as a Household Goods Carrier (Notice) in Docket TV-200946 informing Move for Less that the Commission will cancel the Company’s household goods permit effective January 19, 2021, unless the Company obtains Commission approval of a safety management plan prior to that date. The Notice required Move for Less to file a proposed safety management plan by January 4, 2021, and set a brief adjudicative proceeding (BAP) for January 15, 2021.

Also on December 1, 2020, the Commission issued a Penalty Assessment against Move for Less in Docket TV-200947 in the amount of \$7,300 for the violations discovered during Staff’s compliance review. On December 7, 2020, Move for Less filed an application for mitigation of the penalty.

On January 14, 2020, Staff informed the presiding officer that the Company had submitted to Staff a proposed safety management plan. Staff evaluated the proposed plan and determined it is

acceptable. As such, Staff recommends the Commission cancel the BAP and enter an order addressing the Company's safety rating based on the evidence in the record.

Staff also explained that it confirmed that the Company waives its right to a hearing in both dockets. Based on the parties' request to cancel the hearing, as well as Staff's approval of the Company's safety management plan, the Commission finds good cause to cancel the BAP set for January 15, 2021, at 1:30 p.m. and to enter an order based on the evidence in the record.

THE COMMISSION GIVES NOTICE That the brief adjudicative proceeding in Docket TV-200946 set for January 15, 2021, at 1:30 p.m. is canceled.
