RE: *Washington Utilities and Transportation Commission v. Creative Bus, LLC*
 Commission Staff's Response to Request for Payment Arrangement
 Docket TE-220268

Dear Ms. Maxwell:

On May 6, 2022, the Washington Utilities and Transportation Commission (Commission) issued a penalty assessment against Creative Bus, LLC, (Creative Bus or Company) in the amount of \$3,400 for violations of Washington Administrative Code (WAC) 480-30-221, Vehicle and Driver Safety Requirements.

On May 11, 2022, Creative Bus filed with the Commission its application for mitigation of penalties. On May 18, Commission staff (Staff) filed a response recommending the Commission grant the Company's request in part.

On June 7, 2022, the Commission entered Order 01, which granted, in part, the Company's request to mitigate the \$3,400 penalty to \$2,500, suspended a \$1,250 portion of the reduced penalty for a period of two years, subject to conditions that include the Company either paying the \$1,250 portion of the penalty that is not suspended or file a mutually agreeable payment plan with Staff within 10 days of Order 01.

On June 17, 2022, Staff and Creative Bus came to a mutual agreement on a proposed payment plan, as follows:

Payment Plan	
Due Date	Amount
June 22, 2022	\$625
July 22, 2022	\$625

Staff recommends the Commission grant the Company's request for payment arrangements. Creative Bus is aware that if it fails to pay any installment by the due date, the entire remaining balance, including the suspended penalty, will become due and payable without further Commission order.
