On June 1, 2022, PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp or Company) submitted a proposal to Schedule 191 to increase the System Benefits Charge (SBC) collection rate to better align the Company's recovery of costs associated with acquiring and administering cost-effective conservation in its Washington service area. Following review of the filing the Records Center notified the Company that the coding on Sheet No. 191.1 should be changed from "(I)" to "(R)" to reflect a decrease for Schedule 53. The Company submits this filing to reflect this change.
