RE: *In the Matter of the Penalty Assessment Against Palisade Homes LLC, in the Amount of \$1,000,*  
Docket DG-220896

TO ALL PARTIES:

On December 19, 2022, Palisade Homes LLC (or the Company) was issued a \$1,000 penalty for a violation of RCW 19.122.055(1)(a). Palisade Homes LLC was provided the opportunity to suspend an \$800 portion of the penalty amount and ultimately waive it on the following conditions: a) that Palisade Homes LLC supervisors and field crew responsible for excavation attend Dig Safe training provided through the National Utility Contractors Association (NUCA) within 90 days of the date of the penalty assessment; b) Palisade Homes LLC submit documentation of attendance of Dig Safe training within 5 days of attendance; c) Palisade Homes LLC pays the \$200 portion of the penalty that is not suspended; and d) Commit no further violations of RCW 19.122 within the 12 months following the penalty assessment.

On February 8, 2023, the Commission received notification from Palisade Homes LLC that the Company admitted the violation occurred and accepted the Commission's offer to suspend the penalty amount based on the stated conditions. On February 3, 2023, Palisade Homes LLC provided a payment of \$200. The Commission received the required documentation of attendance of training on March 12, 2024. The Company has had no further violations of RCW 19.122.

The Commission agrees that Palisade Homes LLC has complied with the conditions required by the Penalty Assessment. The penalty is thus waived, and this docket is closed.
