On October 24, 2023, the Washington Utilities and Transportation Commission (Commission) filed with the Code Reviser an Emergency Rulemaking Order, revising WAC 480-93-240(3)(a) on an emergency basis to strike the provision requiring that the Commission offset calculation of pipeline safety fee program fees with penalties collected pursuant to RCW 19.122.055. Also on July 14, 2023, the Commission filed with the Code Reviser an Expedited Rulemaking to permanently amend that provision of WAC 480-93-240.
