RE: Docket No. UG-240141, Supplemental Filing
Schedule 705, Voluntary Renewable Natural Gas

Director Killip;

On March 1, 2024, Cascade Natural Gas Corporation ("Cascade" or "Company") filed Advice No. W24-03-02, docketed as UG-240140, to introduce Schedule 705, Voluntary Renewable Natural Gas Program. On May 24, 2024, Cascade filed two replacement sheets. The Company now files the following replacement sheet:

Original Sheet No. 705.1

Sheet No. 705.2 remains as filed in the May 24, 2024, supplemental filing.

The purpose of this filing is to correct the renewable natural gas monthly block price. When Cascade submitted its May 24, 2024, supplemental filing, the pricing was inadvertently revised from \$7.32 to \$7.00 per block. With the attached replacement sheet, Cascade corrects the pricing back to \$7.32 per block.

This filing contains the following two files:

Please direct any questions regarding this filing to me at (208) 377-6015.
