Dear Ms. Killip:

Our Company was notified by Jefferson County that the tipping fee in Jefferson County will increase from \$161.20 to \$165.23 per ton, a 2.50% increase. This will increase revenue and expense for the residential customers by approximately \$10,800 (0.81%); commercial customers by \$10,700 (0.95%); and drop box service by \$6,200 (2.50%) for a 12-month period. There are approximately 4,500 residential, 800 commercial and 28 drop box customers affected by this change. Customer counts were audited in TG-230778.

The last general rate increase for Olympic Disposal was approved by the Commission, June 1, 2011. The Company currently has an open general rate case under TG-230778.

Attached are revised tariff pages and supporting documentation containing the revised rates. We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276 for customer notifications. If the Tariff Pages are approved by the Washington Utilities and Transportation Commission, they will become effective January 1, 2025. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of the tariff change on the first billing.
