**SCHEDULE NO. 1**  
**NON-METERED RATE SERVICE**

**Availability**

This schedule is available in all Water Service Areas served by the Utility and at Utility's option and capability to maintain Department of Health's standards of quantity and quality.

**Applicable**

Applicable to each customer (single connection), where meters have not yet been installed.

**Conditions**

The flat rate charge for service is not subject to cancellation or reduction for seasonal or temporary periods unless seasonal rates apply per this tariff. Flat rate charge will be the monthly minimum bill for this class of service and will be in addition to other charges as provided in this tariff. No reduction in rates will be made on any dwelling unit served by a single non-metered connection unless all dwelling units served by a non-metered connection are vacant and the water is shut off at the connection point.

*"Dwelling unit" means any building, or portion thereof, which contains one or more units (owned, used, rented, leased, let, or hired out to be occupied) that are served through a single non-metered connection.*
