SCHEDULE 307
RESIDENTIAL SERVICE TIME-OF-USE**AVAILABILITY:**

1. Service under this Schedule is available to a Customer eligible to receive Electric Service under Schedule 7 Residential Service ("Schedule 7"), provided that the Company determines, to its satisfaction, that metering equipment adequate to implement this Schedule is available for the Customer.
2. Service under this Schedule will be available on or after October 1, 2023.
3. Participation in Schedule 307 is limited to a total of 6,500 Customer accounts. (C)
4. The Company has sole discretion to limit and control individual Customer participation based on the need/criteria to conduct studies/measurement and evaluation of participant responses.
5. A Customer taking service under optional Schedule 171 will not be eligible for this service.

APPLICABILITY: Except as otherwise provided by this Schedule, Electric Service under this Schedule shall be available on the terms and conditions set forth in Schedule 7.

ENROLLMENT: The Customer must complete the Company's enrollment process to participate in this service. Initiation of service under this Schedule will occur following acceptance and processing of the enrollment request by the Company.

TERMS AND CONDITIONS:

1. The Customer must consent to be contacted by the Company, its affiliates, or third parties for the purposes of load and program studies.
2. The Customer must provide the Company access to the meter. Should any meter fail to register or register accurately the amount of electricity used by the Customer during On-Peak and Off-Peak time periods, the amount of such use will be estimated by the Company from the best available information, as determined by the Company. The bill will be coded as estimated if the number of good meter reads is less than ninety percent, otherwise it will be coded as actual. (N)
The bill may not display beginning and ending meter readings. (N)
3. The Customer must consent for their individual usage to be studied in order to provide feedback to the customer on their usage and how they may optimize potential savings by changing usage behavior. (D)

CUSTOMER INFORMATION: By virtue of this service being part of the Company's primary purpose of providing electric service to its Customers, the Customer grants to the Company the right to use their personal information, relative to this service, and the Company may disclose personal information to third parties. Personal information includes, but is not limited to, contact information such as telephone number or email address. The Company will make appropriate efforts to safeguard the Customer's confidential information.

BILL PROTECTION AND ENABLING TECHNOLOGY: The Company will continue to provide bill protection to those low-income participant Customers previously selected to receive bill protection as part of the pilot that ended on September 30, 2025, taking service under this schedule or Schedule 317 or 327 that completed the enrollment survey. This is expected to be in the form of an end-of-twelve months/annual bill credit for an applicable Customer's total Energy Charge costs greater than 10 percent over what Energy Charge costs would have been for the same period under Schedule 7 residential Energy Charge costs. Pilot Enabling Technology ended when the pilot ended on September 30, 2025.
