* **Proposed changes are:** Waive RCW 81.28.050 45-day requirement and allow customers to be notified on the first bill as stated in 480-70-271(2)(a)(ii).
* **Explain why the company is proposing this tariff revision:** The tariff revision is for the increased disposal fee effective January 1, 2026.
* **Explain why the Commission should allow this tariff revision to take effect with less than 30 days' notice (45 days' notice for solid waste):** Historically, customers have been notified of these types of increases on their first bill, in accordance with WAC 480-70-271(2)(a)(ii).
