Re: Docket No. UT-100820 – In the Matter of the Joint Application of Qwest
and CenturyTel for Approval of Indirect Transfer of Control of Qwest.

Dear Mr. Danner:

In yesterday's letter, CenturyLink and Qwest noted that they expected additional hearing dates, and therefore witness commitments to be established in other jurisdictions in the near future. Consequently CenturyLink and Qwest committed to update the Commission as those potential conflicts become known until such time as the Washington schedule is established.

To that end, please note that at yesterday's prehearing conference, the Utah Public Service Commission established hearing dates as follows:

October 26 – 27, 2010

Sincerely,

Calvin K. Simshaw
