

December 20, 2010

*RE: In the Matter of the Joint Application of VERIZON COMMUNICATIONS, INC. and FRONTIER COMMUNICATIONS CORPORATION for an Order Declining to Assert Jurisdiction Over, or, in the Alternative, Approving the Indirect Transfer of Control of Verizon Northwest Inc., Docket UT-090842*

TO ALL PARTIES:

The Commission entered its Order 06, Final Order Approving and Adopting, Subject to Conditions, Multiparty Settlement Agreements and Authorizing Transaction, in Docket UT-090842 on April 16, 2010. The Order required by its terms that Frontier Communications Northwest, Inc., make certain compliance filings, including filing revised tariff sheets and exchange maps. Order 06 authorizes the Commission's Executive Director and Secretary to approve the required filings, by letter, if they comply with the terms of the Order.

On December 16, 2010, Frontier Communications Northwest, Inc., filed revised tariff sheets and the exchange maps. The purpose of these compliance filings is to reflect the Company's name change from Verizon Northwest, Inc., to Frontier Communications Northwest, Inc. There is no other change to the content of the tariffs. Given the nature of these filings and the voluminous tariff sheets,<sup>1</sup> a list of individual tariff sheets is not attached to this letter. The tariff sheets and the exchange maps included in the tariff volumes identified below are available for review in the Commission's offices at 1300 S. Evergreen Park Drive SW, Olympia, Washington, during regular business hours. The Commission has examined the filings and it appears that the tariff revisions in the following volumes, constituting the Company's full tariff, comply with the terms of the Order:

Tariff Advice No. 3302	WN-16	Facilities for Intrastate Access Tariff
Tariff Advice No. 3303	WN U-18	Network Interconnection Access Service Tariff
Tariff Advice No. 3304	WN U-20	Collocation Service Tariff
Tariff Advice No. 3305	WN U-23	Advanced Data Services Tariff

---

<sup>1</sup> The tariff sheets encompass approximately eight volumes and constitute more than one thousand tariff sheets.

Tariff Advice No. 3307	WN U-17	General and Local Exchange Tariff
Tariff Advice No. 3308	WN U-21	Unbundled Network Elements Tariff
Tariff Advice No. 3309	WN U-22	Resale Local Exchange Services Tariff
Tariff Advice No. 3310	WN U-7	Exchange Maps Tariff

Therefore, pursuant to terms of the Commission's Order 06 in this proceeding, the revised tariff sheets and the exchange maps filed by Frontier Communications Northwest, Inc., on December 16, 2010, will become effective on December 23, 2010, as filed.

Sincerely,

DAVID W. DANNER  
Executive Director and Secretary
