

UNBUNDLED NETWORK ELEMENTS

---

2. GENERAL REGULATIONS (Continued)

Limitations on Unbundling Obligations – Effect on Rates

The following rate changes apply in accordance with the FCC's Order on Remand issued on February 4, 2005, in WC Docket No. 04-313 and CC Docket No. 01-338 (the "Triennial Review Remand Order"), and are without prejudice to any objections that the Company may interpose to the provisions of that order in any appropriate proceeding. The Company reserves such objections, as well as its right to further modify this tariff based on subsequent changes in the governing law. After the transition period set forth below, these elements will no longer be available under this or any other tariff. (N)  
(N)

DS-1 Loops

For the 12-month transition period beginning on March 11, 2005, any DS1 loop UNE being provided as of that date, but which the Company is not obligated to unbundle pursuant to FCC rules shall be available at a rate equal to the higher of (1) 115% of the rate the requesting CLP paid for the loop element on June 15, 2004, or (2) 115% of the rate the Commission established in Docket No. UT-023003 for that loop element. Where the Company is not required to provide unbundled DS1 loops pursuant to FCC rules, requesting CLPs may not obtain new DS1 loops as unbundled network elements on or after March 11, 2005. (T)

DS-3 Loops

For the 12-month transition period beginning on March 11, 2005, any DS3 loop UNE being provided as of that date, but which the Company is not obligated to unbundle pursuant to FCC rules shall be available at a rate equal to the higher of (1) 115% of the rate the requesting CLP paid for the loop element on June 15, 2004, or (2) 115% of the rate the Commission established in Docket No. UT-023003 for that loop element. Where the Company is not required to provide unbundled DS3 loops pursuant to FCC rules, requesting CLPs may not obtain new DS3 loops as unbundled network elements on or after March 11, 2005. (T)

Dark Fiber Loops

For an 18-month transition period beginning on March 11, 2005, any dark fiber loop UNEs being provided as of that date shall be available at a rate equal to the higher of (1) 115% of the rate the requesting CLP paid for the loop element on June 15, 2004, or (2) 115% of the rate the Commission established in Docket No. UT-023003 for that loop element. Requesting CLPs may not obtain new dark fiber loops as unbundled network elements on or after March 11, 2005. (T)

2. GENERAL REGULATIONS (Continued)

Limitations on Unbundling Obligations – Effect on Rates (Continued)

DS1 Dedicated Transport

For a 12-month transition period beginning on March 11, 2005, any DS1 dedicated transport UNE being provided as of that date, but which the Company is not obligated to unbundle pursuant to FCC rules, shall be available at a rate equal to the higher of (1) 115 % of the rate the requesting CLP paid for the dedicated transport element on June 15, 2004, or (2) 115 % of the rate the Commission established in Docket No. UT-023003 for that dedicated transport element. Where the Company is not required to provide unbundled DS1 transport pursuant to FCC rules, requesting CLPs may not obtain new DS1 transport as unbundled network elements on or after March 11, 2005. (T)

DS3 Dedicated Transport

For a 12-month transition period beginning on March 11, 2005, any DS3 dedicated transport UNE being provided as of that date, but which the Company is not obligated to unbundle pursuant to FCC rules, shall be available at a rate equal to the higher of (1) 115 % of the rate the requesting CLP paid for the dedicated transport element on June 15, 2004, or (2) 115 % of the rate the Commission established in Docket No. UT-023003 for that dedicated transport element. Where the Company is not required to provide unbundled DS3 transport pursuant to FCC rules, requesting CLPs may not obtain new DS3 transport as unbundled network elements on or after March 11, 2005. (T)

Dark Fiber Dedicated Transport

For a 18-month transition period beginning on March 11, 2005, any dark fiber dedicated transport UNE being provided as of that date, but which the Company is not obligated to unbundle pursuant to FCC rules, shall be available at a rate equal to the higher of (1) 115 % of the rate the requesting CLP paid for the dedicated transport element on June 15, 2004, or (2) 115 % of the rate the Commission established in Docket No. UT-023003 for that dedicated transport element. Where the Company is not required to provide unbundled dark fiber transport pursuant to FCC rules, requesting CLPs may not obtain new dark fiber transport as unbundled network elements on or after March 11, 2005. (T)

Local Circuit Switching

For a 12-month transition period from March 11, 2005, the price for unbundled DS0 Local Circuit Switching in combination with unbundled DS0 capacity loops and shared transport obtained pursuant to FCC rules shall be the higher of: (A) the rate at which the requesting CLP obtained that combination of network elements on June 15, 2004 plus one dollar, or (B) the rate the Commission established in Docket No. UT-023003 for that combination of network elements, plus one dollar. Requesting CLPs may not obtain new DS0 Local Circuit Switching as an unbundled network element on or after March 11, 2005. (T)
