Hi Tina,

We were able to get a new USDOT number for SpeediShuttle Washington, LLC. The new number, which was just issued, is 2608751 (see attached). We would appreciate it if you could change this in the WUTC records and apologize for the inconvenience.

Thank you,

Hi Jack,

I'm not sure what they mean by this: USDOT can simply add SpeediShuttle Washington, LLC as an "affiliate."

Because this is a separate entity with a different legal name, the USDOT number's Legal Name must match how you are registered with our agency.

Subject: USDOT

Hi Penny,

A USDOT person in Hawaii has deactivated the USDOT number for SpeediShuttle Washington, LLC in error. Although the Washington DC office has advised us they can reactivate the number, it will take too long before we begin operations. The DC office suggest we use the SpeediShuttle, LLC number (Hawaii) for Washington since we already have authority under that number and USDOT can simply add SpeediShuttle Washington, LLC as an "affiliate." We don't have any strong objections to this but I don't know how it affects the WUTC. Can we simply change the USDOT number for SpeediShuttle Washington, LLC to 1286104?

Thank you,
