Dear Mr. Danner:

Pursuant to paragraph 33 in Appendix A, Attachment 1 in Order 06 in Docket UT-090842, enclosed is the Frontier Communications Northwest Inc. WTAP Report for November 2010. Also enclosed is a revised October 2010 Report which includes the total number of \$75 WTAP credits applied to the customer's account.

Beginning with the November 2010 Report being submitted today and going forward on the 15<sup>th</sup> of each month, the company will provide one report with all of the information as required by the above-referenced order including the total number of \$75 WTAP credits applied to a customer's account.

In addition, in response to the December 15, 2010 letter requesting additional information to be included with the monthly report, Frontier began collecting the actual time the WTAP order was created and the date DSHS approved or denied WTAP eligibility on January 1, 2011. The January 2011 Report will include the information as requested.

The reports are marked "Confidential per Protective Order in Docket UT-090842" as they include customer case numbers. Therefore, a confidential version and a redacted version of the reports are included for filing.

If you have any questions concerning this report, please call me at 972-456-7551 or email me at [kimberly.a.douglass@ftr.com](mailto:kimberly.a.douglass@ftr.com).
