Re: *Washington Utilities and Transportation Commission v. PacifiCorp, d/b/a Pacific Power & Light Company*, Docket UE-100749

TO ALL PARTIES:

On February 12, 2013, the Washington Utilities and Transportation Commission (Commission) entered Order 13, Order Authorizing Revision to Schedule 95 and Requiring Future Compliance Filings in the above-referenced docket (Order 13). The Order, among other things, authorized PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp) to revise its Schedule 95 to reflect a credit of zero cents per kilowatt hour effective immediately, and that credit amount shall remain in effect pending further order of the Commission.

On February 12, 2013, PacifiCorp filed a revised Schedule 95 as specified in Order 13 with an effective date of February 12, 2013. The Commission has examined the filing, and it appears to comply with the terms of Order 13.

Therefore, the revision to Schedule 95, filed by PacifiCorp on February 12, 2013, is approved, and will become effective as filed with an effective date of February 12, 2013.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
