WAC 480-120-414 Emergency Operation

(1) All companies must maintain, revise, and provide to the commission the following:

- (a) The titles and telephone numbers of the company's disaster services coordinator and alternates.

**Ed Fox, Vice President, Network Services (212) 607-2014**

- (b) Upon request of the commission, the company's current plans for emergency operation, including current plans for recovery of service to governmental disaster recovery response agencies within the state of Washington.

**MetTel is currently non-operational in the state of Washington. MetTel has no customers and has no immediate plans to offer service to Washington consumers. Prior to offering services, MetTel will establish an emergency operation plan that includes plans for recovery of service to governmental disaster recovery response agencies.**

(2) For coordination of disaster response and recovery operations, each company must maintain on file with the Washington state emergency management division the titles and telephone numbers of the managers of the company's:

- (a) Local network operations center

**Because MetTel is currently non-operational in the state of Washington, has no customers and no immediate plans to offer service to Washington consumers, MetTel does not have a Local network operations center in Washington at this time.**

- (b) Regional network operations center or  
(c) Emergency operations center

**MetTel does not have a regional network operations center, but its main emergency operations center contact information is as follows:**

**David Mitchell, Director (212) 607-2041**
