Re: Washington Utilities and Transportation Commission v. Puget Sound Energy
Docket Nos. UE-090704 and UG-090705
Corrections to Revised Response to WUTC Bench Request No. 1

Dear Mr. Danner:

Attached please find the following corrected pages to Public Counsel's Revised Response to Bench Request No. 1 (January 8, 2010):

Adjustments 10.25 and 10.26 for electric operations (pp. 34 and 35 of Re-filed JRD-2 per BR#1 Revised); and
Adjustments 9.18 and 9.19 for gas operations (pp. 25 and 26 of Re-filed JRD-3C per BR#1 Revised).

Revised figures on these pages have been shaded, and a note regarding the correction also appears on the bottom of the page. These changes are made to correct an inadvertent error in Public Counsel's revised response, as identified in the rebuttal testimony of PSE witness Mr. Stranik.

The attached revised pages are being provided in pdf format. Hard copies will be provided to the Records Center, the bench and distributed to counsel at the beginning of the hearing on January 19. Mr. Dittmer will be prepared to explain the correction at the hearing. Public Counsel will provide a complete and fully revised version of this Bench Request response, as executable Excel files, immediately following the evidentiary hearing.

Sincerely,

Simon J. Ffitch
