**Subject:** Re: Garbage collection in Point Roberts

Dear Ms. Ingram,

My husband and I would:

- (1) urge that the WUTC support and approve the Point Recycling application,
- (2) urge that the WUTC reject the Freedom 2000 (Gellatly/Calder) application,
- (3) ask adamantly that the County do as required by law; and now create a reasonable plan for our community.

Please support us in our request in this matter.

Sincerely,

Dorothy & Martin Gurney
