Re: Docket No. UG-060518: Acceptance by NW Energy Coalition of Conditions
Set Forth In Order 04

Dear Ms. Washburn,

On February 1, 2007, the Commission issued its Order 04 "Final Order Approving Decoupling Pilot Program," in which it made modifications to the decoupling mechanism. The Commission approved the mechanism with the following modification: "First, any funds that are not deferred due to either the "earnings" and/or the "DSM" test may not be carried over to the next period. Second, the Company may not record interest on deferrals until such time as the deferrals are approved for recovery by the Commission." (page 48 of Order).

The NW Energy Coalition accepts these modifications as put forward by the Commission.
