NOTICE OF EXTENSION OF FILING DEADLINE
(Responses to WCI's and Staff's Discovery Motions are due Monday,
June 23, 2014, at 3:00 p.m.)

RE: *Washington Utilities and Transportation Commission, Complainant, v. Waste Control, Inc., Respondent*, Docket TG-140560

TO ALL PARTIES:

On June 9, 2014, Waste Control, Inc., (WCI) filed a Motion for Appointment of a Discovery Master and/or, Alternatively, Scheduling of a Discovery Conference (Discovery Motion). On June 12, 2014, the Washington Utilities and Transportation Commission's (Commission) regulatory staff (Staff) filed a Motion to Clarify the Scope of WAC 480-07-520(4), Compel Discovery (Discovery Motion), and Expedited Motion for Extension of Time.

On June 13, 2014, the Commission issued a Notice of Opportunity to Respond to both Discovery Motions by June 23, 2014, at noon. On June 19, 2014, WCI informally requested a three hour extension of the filing deadline, contending it had not foreseen Staff's filing of an Expedited Motion for Extension of Time or anticipated the time required to respond to both this motion and Staff's Discovery Motion. WCI indicates that opposing counsel does not object to the request.

In furtherance of obtaining a detailed record upon which to decide the Discovery Motions, the Commission finds good cause to grant WCI's extension request.

NOTICE IS HEREBY GIVEN That parties who wish to respond to WCI's or Staff's Discovery Motions must do so by 3:00 p.m., Monday, June 23, 2014.
