Dear Commission

Regarding the Backcountry Travels LLC.
For some of us that travel out of state it will
make it easier for me to get home sooner.

I go up to Stehekin and area every year
sometimes twice a year. Getting up to
Stehekin and the trails to hike would help
me get an earlier start on the day.

It would also help with going downlake
earlier in the day. I can return home
sooner and not be restricted by a later (much)
return. Especially in late Sept early Oct.

The convenience of return home sooner
would be greatly appreciated and be more
cost effective for me.

Thank you,

Kathy Carlman
