Dockets UE-220053, UG-220054, and UE-210854 (*Consolidated*)

Dear Jeff Killip:

On December 12, 2022, the Washington Utilities and Transportation Commission (Commission) entered Order 10/04, which required Avista Corporation d/b/a Avista Utilities (Avista or Company) to file annual reports to provide the Commission with performance measures and calculations specified in Table 8 of the order.

On August 14, 2024, Avista filed its report of the performance measures and calculations for the third quarter of 2024. Commission staff has reviewed the Company's compliance filing and believes that the PBR Metrics Report complies with the requirements of Order 10/04.

Sincerely,
