### FINDINGS AND CONCLUSIONS

- 2 (1) The Commission is an agency of the State of Washington vested by statute with the authority to regulate public service companies, including telecommunications companies. *RCW 80.01.040; Chapter 80.04 RCW and Chapter 80.36 RCW.*
- 3 (2) Section 252(e)(1) of the Telecom Act requires parties to a negotiated agreement to submit the agreement to the Commission for approval. Section 252(e)(2)(A) states that the Commission may only reject an agreement (or any portion thereof) adopted by negotiation if it finds that:
  - 4 (i) the agreement (or any portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
  - 5 (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity.
- 6 (3) Qwest is engaged in the business of furnishing telecommunications services including, but not limited to, basic local exchange service within the state of Washington.
- 7 (4) Eschelon is authorized to provide telecommunications services to the public in the state of Washington.

- 8 (5) The Commission approved an interconnection agreement between the parties on February 24, 2000; the first and second amended agreements on July 31, 2000; a third amended agreement on October 11, 2000; a fourth amended agreement on January 24, 2001; a fifth amended agreement on February 22, 2001; a sixth amended agreement on January 9, 2002; a seventh amended agreement on January 30, 2002; an eighth amended agreement on March 13, 2002; a ninth amended agreement on April 24, 2002; a tenth amended agreement on July 10, 2002; an eleventh amended agreement on September 25, 2002; a twelfth amended agreement on April 30, 2003, and a thirteenth amended agreement on November 12, 2003. The Commission ordered that in the event the parties amended their agreement, the amended agreement would be deemed a new agreement under the Telecom Act and must be submitted to the Commission for approval.
- 9 (6) On January 9, 2004, the parties filed with the Commission a joint request for approval of a fourteenth amendment to the previously approved interconnection agreement, pursuant to the Telecom Act.
- 10 (7) The Amended Agreement between Eschelon and Qwest was brought before the Commission at its regularly scheduled meeting on January 28, 2004.
- 11 (8) Eschelon and Qwest voluntarily negotiated the entire amendment.
- 12 (9) The Amended Agreement does not discriminate against any other telecommunications carrier.
- 13 (10) The Amended Agreement will facilitate local exchange competition in the state of Washington.

- 14 (11) The Amended Agreement is consistent with the public interest, convenience, and necessity.
- 15 (12) The Amended Agreement meets the requirements of Sections 251 and 252 of the Telecom Act, including Section 252(e).
- 16 (13) The laws and regulations of the State of Washington and Commission Orders govern the construction and interpretation of the Amended Agreement. The Amended Agreement is subject to the jurisdiction of the Commission.
- 17 (14) After examination of the proposed Amended Agreement filed by Eschelon and Qwest on October 13, 2003, and giving consideration to all relevant matters, the Commission finds the proposed Amended Agreement should be approved.
