**NOTICE OF REQUIREMENT FOR STATUS REPORT
(Due on or before July 31, 2009)**

Re: *Waste Connections of Washington, Inc., Complainant v. Enviro/Con & Trucking, Inc., and Waste Management Disposal Services of Oregon, Inc., Respondents*
Docket TG-071194

TO ALL PARTIES:

On October 7, 2008, the Washington Utilities and Transportation Commission (Commission) entered *Order 05, Order Granting Petition for Administrative Review; Reversing Initial Order; and Ordering Hearing on the Merits; Granting Motion For Leave to File Reply* in the above matter. On November 6, 2008, Enviro/Con & Trucking, Inc. (Enviro/Con), and Waste Management Disposal Services of Oregon, Inc. (WMDS-OR), filed a Petition for Judicial Review in Thurston County Superior Court. In its Request for Relief, Enviro/Con and WMDS-OR seek to have the court set aside the Commission's *Order 05* and reinstate the Administrative Law Judge's *Order 03, Granting Motion for Summary Determination*.

On November 18, 2008, pursuant to an agreed request from the parties to continue a prehearing conference, the Commission suspended the procedural schedule pending action by the Thurston County Superior Court. On March 3, 2009, the parties filed a required status report, indicating that the Thurston County Superior Court has scheduled a hearing on the matter for July 24, 2009. The parties jointly requested that the next status report be filed one week after the scheduled hearing in Superior Court.

NOTICE IS GIVEN That the parties must jointly file another status report regarding the proceedings in Thurston County Superior Court no later than July 31, 2009. The Commission will schedule a prehearing conference, as necessary, following completion of Thurston County Superior Court action on the appeal filed by Enviro/Con and WMDS-OR.

Sincerely,

ADAM E. TOREM
Administrative Law Judge
