**RE: PacifiCorp's Request to Reschedule Consideration of 2010-2011 Biennial  
Conservation Targets Report; UE-100170**

Dear Mr. Danner:

PacifiCorp, d.b.a. Pacific Power & Light Company (PacifiCorp or the Company) respectfully requests that its 2010-2011 Biennial Conservation Targets Report currently scheduled to be heard on July 27, 2012, at the Washington Utilities and Transportation Commission (Commission) be moved to August 9, 2012.

In compliance with RCW 19.285.070 and WAC 480-109, PacifiCorp filed its 2010-2011 Biennial Conservation Targets Report on June 1, 2012. On June 5, 2012, the Commission issued notice of Open Meeting and an opportunity to comment by July 16, 2012 on PacifiCorp's reporting requirements related to meeting its conservation targets. The matter was scheduled to be heard on July 27, 2012, at the Commission's Open Meeting. Due to scheduling conflicts, PacifiCorp's demand-side management staff is unable to be present on July 27, 2012, to respond to comments or to answer questions. Therefore, the Company requests that consideration of this filing be changed to the Open Meeting scheduled for August 9, 2012.

Informal questions should be directed to Carla Bird at (503) 813-5269.

Sincerely,

William R. Griffith  
Vice President, Regulation
