Docket No. 180677

Olympia, WA. 98504

Dear Commissioner.

I wish to comment on the request for the Backcountry Travel LLC for Ferry service on Lake Chelan. My opinion is that in the summer times they could use additional service.. I was raised around Chelan and in the summer time they would always put extra boats to keep up with the people. If you was to go uplake you never had a choice to what service you wanted to take. Thank You!

Sincerely, Gorden G Fellows
