

“PSE CEIP HR_2021 CEIP_PREFERRED Portfolio_Archive (C)” is CONFIDENTIAL per WAC 480-07-160 in its entirety because the file is an electronic model that contains financial and proprietary information. The file contains the tabular results of Aurora model runs, which would be impractical and unduly burdensome to redact; redacting the file would render the model inoperative. Further, the model is governed by an Aurora software license.
