RE: King County Department of Public Works, Solid Waste  
Division v. Seattle Disposal Company, Rabanco Ltd., d/b/a  
Eastside Disposal and Container Hauling, Docket No. TG-  
940411, Bench Request No. 1

Dear Chairman Nelson:

This letter is submitted in response to your bench request for the draft report of a demographic study performed by Seattle Solid Waste Utility staff, which was referred to by King County witness Nick Pealy during his testimony upon cross examination in this matter. Exhibit Number 57 was reserved for the report.

As I indicated on the record at the hearing yesterday, I have spoken to Mr. Pealy concerning Seattle's release of the report. Mr. Pealy indicated to me that the report is a draft and has never been formally adopted by the City. As a result, the City has not released it.

It is my understanding that this letter will be incorporated into the record as Exhibit 57 in lieu of the draft report.

Very truly yours,

For NORM MALENG, King County Prosecuting Attorney
