Advice No. 3190

Ms. Carole Washburn, Executive Secretary
Washington Utilities and
Transportation Commission
1300 S. Evergreen Park Drive S.W.
Olympia, Washington 98504-7250

Dear Ms. Washburn:

Verizon Northwest Inc. ("Verizon") submits for filing Advice No. 3190 containing the attached tariff sheets to become part of the Unbundled Network Elements Tariff, WN U-21.

The Company submits this Advice filing as a revision to Advice No. 3160 that was filed on November 7, 2005 in compliance with the Commission's 28th and 30th Supplemental Orders in Docket No. UT-023003. Advice No. 3160 was approved in the Commission's 31st Supplemental Order and became effective December 1, 2005.

Advice No. 3160 inadvertently excluded the rates for 4-Wire Analog Voice Grade, per Loop in Section 5, 1st Revised Sheet 1.1. This Advice filing includes the 4-Wire rates and also makes housekeeping text corrections in Section 6 on Sheets 2 & 3. Under the wire center name on Sheet 2, Washougal River is changed to Washougal. Under the wire center name on Sheet 3, Washougal is changed to Washougal River.

With this filing Verizon has included a copy of the spreadsheets filed with Advice 3160 that list each input as ordered by the Commission, with citations indicating which order applies. The proposed rates that are included with this filing are listed in the enclosed document entitled "Summary of Current Tariffed vs. Proposed Tariffed rates 031606.xls."

The requested effective date for this filing is April 27, 2006.

A copy of the Public Notice is attached.

If there are questions, please contact Lin Fogg at (425) 261.6380.

Very truly yours,

A handwritten signature in blue ink, appearing to read "D. Valdez".
