TO ALL PARTIES:

On October 30, 2001, Qwest Corporation (Qwest) filed a motion for summary determination and dismissal of this case under WAC 480-09-426. Commission rules provide that the Commission may alter the time for written responses on a schedule consistent with any established hearing schedule in this proceeding, WAC 480-09-426(3), or if it believes that the public interest so requires, WAC 480-04-425(3)(c).

In order to provide the Commission the time to review responses to the motion for summary determination prior to the prehearing conference scheduled for November 19, 2001, the Commission requests that any party who wishes to respond to Qwest's motion, do so by **Thursday, November 15, 2001.**
