PO Box 47250
Olympia, WA 98504-7250

Dear Ms. Washburn:

Attached are the March payments for the Performance Assurance Plan (“PAP”) based upon January 2006 performance. In addition to the January Performance, Qwest re-ran the PAP for the following reasons:

- ❖ Reran the data for December 2005 for MR-8 to create new measures for the MR-8 CLEC collaborative.

Summary of Changes for Washington (for detailed information see attached spreadsheet).

- CLECs in Washington were overpaid in previous months by \$74
- All payments and January performance results are summarized in the attached spreadsheet.

If you have any questions, please feel free to call me at 503-242-5089.

Sincerely,

For Mark S. Reynolds
Senior Director – Regulatory
