Dear Mr. Danner:

We need to submit amended Washington service quality reports for July and August 2008 as we have discovered minor corrections that have to be made to part of the data previously reported. We are enclosing revised 48-hour pages for July and August, 2008, as well as for January, 2009. We also need to submit revised 72-hour pages for July and August, 2008.

We are submitting a confidential and a public version of each corrected page. The confidential versions are marked accordingly and are enclosed in a sealed envelope.

Please feel free to contact senior counsel, Thomas Dixon at (303) 390-6206 should you have any questions regarding these reports. Thank you.

Sincerely,

Haleh Davary
