RE: *Sarah Hand v. Rainier Water View Company, Inc.*,
Docket UW-170924

TO ALL PARTIES:

On November 8, 2016, Sarah Hand contacted the Washington Utilities and Transportation Commission (Commission) to raise issues about the quality of the water she is receiving from Rainier View Water Company, Inc. (Rainier View or Company). On August 31, 2017, the Commission converted Ms. Hand's complaint into a formal complaint, and initiated this adjudicative proceeding. On January 9, the Commission issued a notice of procedural schedule which included an evidentiary hearing on July 25, 2018.

In preparation for the evidentiary hearing, the parties must file electronic copies of any exhibits they intend to use during cross-examination by 5 p.m. on Friday, July 20, 2018. Also by that deadline, each party must provide to the administrative law judge and the other parties a list of the witnesses that party intends to cross-examine and an estimate of the amount of time the party estimates for its cross-examination of each witness.

THE COMMISSION GIVES NOTICE That parties are required to file their cross-examination exhibits, and provide their witness lists and cross-examination time estimates, by 5 p.m., Friday, July 20, 2018.
