 .....)

On July 26, 2002, Edward McIntire, d/b/a Eagles Connection , filed application D-79095 in accordance with Chapter 81.68 RCW for a Certificate of Public Convenience and Necessity to furnish passenger and express service .

Subsequently, on September 9, 2002 , interested parties were notified of the filing of said application to give them an opportunity to express their views either for or against the granting of this application.

After reviewing the evidence submitted and due to the fact that no service of an existing nature is presently available over this route, the Commission deems it expedient to issue the requested authority without a hearing pursuant to Chapter 81.68.040 RCW. Further, the Commission finds that the applicant is fit, willing, and able to properly conduct the proposed operation and it appears that the service sought to be rendered is necessary and will be a convenience to the public.

ORDER
