1 The commission previously gave notice regarding suspension of your household goods permit for failure to file acceptable proof of liability and property damage insurance. The suspending order stated that if acceptable proof of insurance was not filed within 30 days, the commission would cancel your permit and dismiss your permanent application. No proof of insurance has been received.

**ORDER**

2 Therefore, the commission cancels your household goods permit and provisional operating authority as identified above and dismisses your permanent application. You are directed to immediately cease all operations associated with this permit. **You are no longer authorized to operate as a household goods carrier under this operating authority.**

Dated at Olympia, Washington, and effective April 3, 2006.
