)	ORDER DENYING MITIGATION

- Penalty: On July 5, 2007, the Washington Utilities and Transportation Commission (Commission) assessed a penalty in the amount of \$100 against Xtension Services, Inc. (Xtension), for one violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file annual reports with the Commission no later than May 1 of each year.
- Petition for Mitigation: On July 18, 2007, Xtension filed a petition for mitigation and waived a hearing. Xtension requested that the Commission waive or reduce the \$100 penalty because the violation did not occur. Xtension asserted that it timely filed its annual report. Xtension filed a copy of a shipping label dated April 21, 2007, and DHL Tracking Results Detail indicating that the shipment was received at the Commission on April 24, 2007, and signed for by J. Carlson.
- Answer: On July 27, 2007, Commission Staff filed a response to the petition for mitigation. Staff stated that the shipping label contains the hand-written notation "XTEN WDT,OSC,ATG,Treshold." Staff stated that the Tracking Results Detail indicates a package was sent by Telecom Professionals in Oklahoma City, Oklahoma, to the Commission where it was signed for by J. Carlson on April 24, 2007.
- Staff asserted that a review of Commission records demonstrates that on April 24, 2007, the Commission received 2006 annual reports from WDT World Discount Telecommunications Co.; Operator Service Company, LLC; Advanced Telemanagement Group, Inc.; and Threshold Communications, Inc. The Commission received a regulatory fee payment check with each report except for Operator Service Company, LLC's, as no fee was due.

- Staff further stated that Xtension's mailing received July 18, 2007, included Xtension's request for mitigation, Xtension's 2006 annual report, and a check (number 4823) dated July 17, 2007, in the amount of \$128.51 for Xtension's regulatory fee payment. The amount did not include monies for the two percent late payment penalty or the one percent interest fee for each delinquent month. Staff opposed mitigation of the penalty.
- **Commission Decision:** The Commission denies the petition. According to WAC 6 480-120-382(1), a competitively classified telephone company must submit its annual report and pay its regulatory fee no later than May 1 of each year. Neither Xtension's documents filed in support of its petition for mitigation nor its actions support the conclusion that Xtension submitted its 2006 annual report in a timely manner. The shipping label provided by Xtension does demonstrate that certain documents were mailed from Telecom Professionals on April 21, 2007. The addressor's designation of "Sent by (Name/Dept)" specifies "XTEN, WDT, OSC, ATG, Treshold." Presumably, the first designation of XTEN refers to Xtension. While the handwritten notation "XTEN" is entered on the line above all other addressors and could have been added after the notation of all other addressors, appears to be in different handwriting, and appears to be drafted with a different type of pen, the Commission need not place any significance to these facts. The shipping label does not (and cannot) demonstrate the contents of the mailing. The Commission's records provide independent verification of the contents of the April mailing and demonstrate that annual reports and accompanying regulatory fee payments (if required) were received on April 24, 2007, for each and every addressor listed on the shipping label except Xtension.
- Moreover, Xtension's actions demonstrate that the 2006 annual report was filed on July 18, 2007, not April 24, 2007. In conjunction with its petition for mitigation, Xtension included its 2006 annual report and a check dated July 17, 2007, for its regulatory fee payment. Had Xtension already mailed its annual report and regulatory fees in April 2007, it would have been unnecessary to duplicate the annual report filing and regulatory fee payment in July 2007. Accordingly, the request for penalty mitigation is denied.

The Commissioners have delegated authority to the Executive Secretary to enter this Order pursuant to RCW 80.01.030 and WAC 480-07-905(1)(h).

9 It is so ordered.
