Order 01 in this Docket granted Wahkiakum's Petition on November 25, 2009. Order 01 requires Wahkiakum to annually certify compliance with the Order and RCW 80.36.332.

Certification forms are provided by Commission Staff to each affected company requesting such certification. When the form is signed, it is filed with the Records Center referencing Docket UT-091549.

In discussions with Commission Staff, Wahkiakum has learned that Staff believes it has sufficient means to ensure compliance with RCW 80.36.332 without the annual recertification. Those tools include audits and the review of tariffs.

The telecommunications landscape has changed significantly since 2007. Companies have incurred loss of access lines from competition. In addition, companies are facing earnings pressure. These factors minimize the likelihood of selling bundles below cost. The value of the minimal regulation for bundles is that the minimal regulation permits companies to react to market pressures and offer competitively priced bundled telecommunications services.

The elimination of the annual certification requirement would not affect any of the other requirements in Order 01. Wahkiakum would remain subject to and would continue to comply with RCW 80.36.332 and all of the remaining requirements of Order 01.

Under RCW 80.36.332(3), the Commission has authority to waive any regulatory requirement with respect to packages or bundles of telecommunications services if it finds that requirement is no longer necessary to protect the public interest. Pursuant to RCW 80.04.210 and under WAC 480-

1 07-875, the Commission has authority to amend any of its orders. Under that statute and rule,
2 notice to the public service company is required, along with the opportunity for hearing. Since
3 Wahkiakum is the only party to the docket, Wahkiakum requests that this Petition be deemed to be
4 notice under the statute and rule. Further, Wahkiakum waives the opportunity for hearing under
5 RCW 80.04.210 and WAC 480-07-875. Nor does there appear to be a need to reopen the record in
6 this docket.¹ The certification requirement was imposed as a cautionary requirement and can be
7 removed if the Commission finds the requirement is no longer necessary to protect the public
8 interest.

9
10 Wahkiakum respectfully requests that the Commission find that annual certification is no longer
11 required to protect the public interest and, further, that the Commission amend Order 01 to
12 eliminate the requirement that Wahkiakum provides annual certification.

13
14 Respectfully submitted this 25th day of February, 2014.
