**RE: Request for Approval of Fully Negotiated Interconnection Agreement
between Qwest Corporation and Threshold Communications Inc.
Docket UT 093006**

Dear Mr. Matson:

On January 20, 2009 Threshold Communications Inc. (Threshold) and Qwest Corporation (Qwest) filed with the Washington Utilities and Transportation Commission (commission) a request for approval of an interconnection agreement. The agreement is a delegated item scheduled for approval by April 20, 2009.

WAC 480-07-640 requires interconnection agreements be submitted for approval within 30 days after the agreement is signed. The filing is 4 days late. The commission reserves the right to investigate, and if appropriate, commence a separate proceeding to complain, enforce, and penalize Threshold for failure to meet the filing requirements. A similar letter has been sent to Qwest.

Sincerely,

DAVID W. DANNER
