RE: *In the Matter of a Penalty Assessment Against Telecare, Inc.*,
Docket UT-121011

TO ALL PARTIES:

On August 1, 2012, the Washington Utilities and Transportation Commission (Commission) assessed a penalty of \$500 against Telecare, Inc. (Telecare or Company), for violation of WAC 480-120-382. This rule requires competitively classified telecommunications companies to file annual reports with the Commission by May 1 each year.

On August 21, 2012, Telecare filed a form provided by the Commission requesting mitigation of the penalty.

On October 29, 2012, the Commission entered Order 01, Order Partially Suspending Penalty, Subject to Condition (Order 01). Order 01 suspended the penalty of \$500 assessed against Telecare in the amount of \$250 subject to the condition that Telecare files its 2012 annual report by May 1, 2013. Order 01 further states that if the Company fails to timely file its 2012 annual report, the suspended penalty will become due without further action by the Commission.

Commission records indicate that Telecare did not timely file its 2012 annual report by May 1, 2013. Accordingly, Telecare, Inc., has not complied with the conditions under which the Commission suspended \$250 of the \$500 penalty assessment. The suspended penalty amount of \$250, therefore, is now due and payable.
