COMMISSION

TO: Suzanne Stillwell, Licensing Manager
FROM: Tina Leipski, Transportation Specialist 3
DATE: July 2, 2015
SUBJECT: Docket TV-131293, Application for Permanent Authority

On July 11, 2013, Prestige Moving & Storage Co., filed Docket TV-131293 requesting permanent household goods authority.

The Commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under Household Goods Carrier Permit THG-65014, since July 23, 2013.

Under WAC 480-15-305, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigator John Foster completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigator Foster found the company in general compliance and on June 25, 2015, he recommended the applicant be considered for permanent authority.

The current provisional permit THG-65014 is in order as follows:

- Records Center has a current annual report on file.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against THG-65014.
- Compliance Investigations does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.
- Company attended mandatory HHG new entrant training on August 14 and November 13, 2013.

I recommend the Commission grant TV-131293 without hearing and reissue permit HG-65014 to Prestige Moving & Storage Co., as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.
