Petition for an Order Approving Deferral of Costs Related to Declining Hydro Generation)	PETITION TO INTERVENE OF PACKAGING CORPORATION OF AMERICA
_____)	

1 Pursuant to WAC § 480-07-355, Packaging Corporation of America, f/k/a Boise White Paper, L.L.C. (“PCA”), hereby petitions the Washington Utilities and Transportation Commission (“WUTC” or “Commission”) for leave to intervene in the above-referenced Docket as an intervenor with full party status, as described in WAC § 480-07-340. The business address of PCA is:

Packaging Corporation of America
1111 W. Jefferson Street
PO Box 50
Boise, ID 83728

2 PCA will be represented in this proceeding by Davison Van Cleve, P.C. All documents relating to these proceedings should also be served on PCA’s attorneys at the following address:

3 The administrative rules at issue are WAC § 480-07-340, -355.

4 PCA is Pacific Power & Light's ("PacifiCorp" or the "Company") largest
customer in Washington, purchasing both power and power delivery services at its mill in
Wallula, Washington. PCA was a party to PacifiCorp's most recent general rate case (UE-
130043).

5 PCA has a substantial interest in PacifiCorp's request to defer for later recovery in
rates costs associated with declining hydro generation. PacifiCorp estimates that it will incur, on
a total-Company basis, approximately \$15 million in increased power costs in 2014 as a result of
low hydro conditions. The inclusion of these costs in rates would substantially and directly
affect PCA. PCA requests leave to intervene in this Docket to represent its interests which are
directly affected by PacifiCorp's deferred accounting proposal.

6 PCA's legal counsel has extensive experience in proceedings before the
Commission involving PacifiCorp's rates. PCA directly participated in PacifiCorp's most recent
general rate case and has participated, as a member of the Industrial Customers of Northwest
Utilities, in other PacifiCorp rate proceedings, including UE-991832, UE-032065, UE-050684,
UE-060669, UE-061546, UE-080220, UE-090205, UE-100749, and UE 111190. PCA's
intervention in this proceeding will assist the Commission in resolving the issues and will not
unreasonably broaden the issues, burden the record, or delay this proceeding.

7 As described above, PCA has a direct and substantial interest in this proceeding
that will not be adequately represented by any other party, and may be affected by any
Commission determination made in connection with this proceeding. It is in the public interest
to allow PCA to intervene in this proceeding.

WHEREFORE, PCA respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 20th day of March, 2014.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
