- 1 On July 6, 2015, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Order Granting Mitigation to \$250. Order 01 did not address Shutter Tours, LLC’S (Shutter Tours or Company) request for a hearing.

- 2 We deny the Company’s request for a hearing. The Commission’s penalty assessment advised the Company that a request for hearing will only be granted if material issues of law or fact require consideration of evidence and resolution in hearing. Here, no issues of law or fact are in dispute. The Company filed its annual report on June 25, 2015, and admitted the violations. The facts, therefore, are undisputed, and the law is clear. Accordingly, the Company’s request for a hearing is denied.

DATED at Olympia, Washington, and effective July 31, 2015.
