

PUGET SOUND ENERGY

**TRANSPORTATION SERVICE AGREEMENT**  
**Rate Schedule No. 41T**

THIS TRANSPORTATION SERVICE AGREEMENT ("Agreement") dated \_\_\_\_\_ is made between **PUGET SOUND ENERGY** (the "Company") and \_\_\_\_\_ (the "Customer"), on the following terms and conditions:

1. **AGREEMENT TERM:** The initial term for service under this Agreement ("Transportation Service") is one (1) year and begins on \_\_\_\_\_ and continues through \_\_\_\_\_. The Agreement continues in effect thereafter until written notice of termination is given by either party at least (i) 30 days prior to the expiration of the initial term or (ii) 30 days prior to the requested termination date during any subsequent annual term.
  - a. **Renewal.** The Customer may renew this Agreement for a period of one year by giving the Company a minimum of thirty (30) days written notice prior to the expiration of the initial term or (if applicable) any subsequent renewal term.
  - b. **Conversion to Sales Service.** At the expiration of the initial Agreement term or at any time during a subsequent renewal, the Customer may convert from Transportation Service to gas sales service under the Company's tariffed rate schedules if 1) the Customer gives the Company a minimum of thirty (30) days written notice prior to the expiration of the initial term of the Agreement or thirty (30) days written notice prior to the requested termination date during any subsequent term of the Customer's intent to convert, and 2) gas sales service is available under the requested rate schedule. The written notice shall specify the requested rate schedule. The Company may impose a conversion fee to compensate the Company for the costs it deems necessary to acquire incremental supply and deliverability resources to serve the Customer. The Customer agrees to pay such conversion fee, if imposed. In accordance with Rule 4, the Customer may not change rate schedules again within one year. In accordance with Rule Nos. 4, 7, and 29 additional charges will be applied as appropriate.
  - c. **Early Conversion.** The terms for early conversion shall be as provided for in Rule No. 29.
  - d. **Failure to Renew.** At the expiration of the Agreement term, if the Agreement has not been renewed, the term shall be extended for a period of one (1) year without changes to the agreement. An executed renewal Agreement will supersede any extended Agreement.
2. **NATURE OF TRANSPORTATION SERVICE:** Transportation Service under this Agreement is firm. The Customer acknowledges that the Company may require a contribution to capital improvement costs as a condition to providing firm Transportation Service.
3. **DAILY AND HOURLY QUANTITIES:** Subject to the terms of this Agreement, the Company agrees to transport gas to the Customer ("Transported Gas") at the rates of flow specified in Exhibit "A".
4. **CUSTOMER-OWNED GAS:** The Customer agrees to acquire Customer-owned gas subject to this Agreement and to cause it to be delivered to the location determined by the Company and specified in Exhibit "A" (the "Receipt Point").
5. **DELIVERY POINT/METERING:** The Company shall deliver the Transported Gas to the Customer at the delivery point specified in Exhibit "A" to this Agreement (the "Delivery Point"). Company-specified metering/telemetering equipment or data transmission equipment must be installed at the Delivery Point before Transportation Service may commence under this Agreement.
6. **CONSTRAINT PERIODS:** Transportation Service is subject to constraint periods that may be declared in the Company's sole determination as described in Rule No. 29. The Company reserves the right to declare these periods at such time and for such duration as the Company deems necessary in order to manage its gas distribution system.
7. **RATES AND CHARGES:** The Customer agrees to pay for Transportation Service according to the rates and charges in the applicable rate schedules in effect at the time of billing.
8. **GAS QUALITY:** The Customer represents that Customer-owned gas acquired by it and delivered to the Receipt Point, shall meet the quality standards of gas delivered to the Company for the Company's own account and shall in all respects be interchangeable and compatible with the Company's gas supply. The Customer further represents that the Customer-owned gas shall be free and clear of all adverse claims, liens, encumbrances and rights of others, and agrees to indemnify, defend, and hold the Company harmless from all claims, losses, and expenses (including without limitation attorneys' fees) arising at any time from or out of any such liens, claims, and encumbrances.
9. **BALANCING SERVICE:** This service provides balancing equivalent to the difference between the Customer's daily confirmed nominations and the daily delivered volumes.
10. **MONTHLY BALANCING:** All daily delivered volumes during a billing period are subject to the monthly balancing provisions contained in Rule No. 29. If the total delivered volumes do not equal the total confirmed nominations, then the overrun or underrun provisions of Rule No. 29 shall apply to the difference (as applicable). - 12. **DELAYS:** The Company shall not be liable for delays in providing Transportation Service when such delays are not reasonably within the Company's control. Examples of such delays (not intended to be limiting) include delays caused by an inability to secure necessary material, supplies, or distribution system capacity; breakages or accidents to the Company's distribution system; and communication problems with suppliers, pipeline, or transporters. - 15. **MISCELLANEOUS PROVISIONS:** (a) This Agreement together with the applicable rate schedules constitutes the entire agreement between the parties, and expressly supersedes all prior and contemporaneous communications concerning the provisions of service under this Agreement; (b) This Agreement shall not be binding upon the Company until approved and accepted on its behalf by an authorized representative in the space provided below.
