Re: TV-170969 – Issuing Permanent Household Goods Permit HG068032

Dear King County Movers LLC:

On September 13, 2017, King County Movers LLC filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On February 7, 2018, the Commission approved the application in part and granted King County Movers LLC temporary authority to provide those services.

The Commission has determined that King County Movers LLC qualifies for permanent household goods carrier authority and approves the application in full. Permit HG068032 issued in the name of King County Movers LLC is enclosed, and the company may now operate on a permanent basis.

King County Movers LLC must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
