Re: Basin Disposal, Inc.- G-118 and Ed's Disposal, Inc. G-110 General Rate Filing

On behalf of Basin Disposal, Inc.- G-118 General Rate Filing and Ed's Disposal, Inc. - G-110. I am filing Basin Disposal, Inc. Tariff #94 to be effective November 1, 2017 and Ed's Disposal, Inc. Tariff #5 to be effective November 1, 2017.

The companies are filing a combined/consolidated financial pro forma for this case. The companies operate in Franklin and Benton Counties with contiguous service areas.

The companies are not merging or consolidating their respective G certificates.

Basin Disposal, Inc. last general rate filing was effective June 1, 2017, Ed's Disposal, Inc. last general rate filing was effective August 1, 2005.

This rate filing generates \$476,000 or 7.5% increase in overall revenue if approved by the Commission. The revenue increase will be bifurcated between Basin Disposal, Inc. and Ed's Disposal, Inc. in a ratio of \$35,000 for Basin Disposal, Inc. and \$441,000 for Ed's Disposal, Inc.

I am enclosing revised Tariff #94 for Basin Disposal, Inc. and revised Tariff #5 for Ed's Disposal, Inc., an Excel workbook with the company general ledger, pro forma, and other accounting working papers.

The proposed customer notice is also included in this transmittal.
